

ARE YOU **TIRED** OF THIS?

Arbitrarily sized shanks in **unreliable** packaging.

When the focus is on the total box weight — not the weight of each piece or pack — you sacrifice prep time, quality and flavor.

OVATION DOES IT DIFFERENTLY.

We don't weigh by the pack, we weigh by the piece:

Every cut is inspected, selected and weighed by hand, giving you equal portions in every pack and every box.
